

# Help needed!!!

Would you like to get out of the house once or twice a month, *and* get some exercise, *and* get to know some of your neighbors better, *and* help to make the neighborhood safer?

## Join the Neighborhood Citizen Patrol!

Patrollers walk in groups of three or four, for about an hour in the evening. Most participants commit to walking once or twice a month.

In addition to deterring crime by creating a presence on the street, patrollers can contribute to public safety by reporting burned out lights to Pepco, street hazards to Public Works, abandoned autos to the police, etc.

Dogs are welcome, but must be accompanied by their humans.
